

LOS ANGELES UNIFIED SCHOOL DISTRICT

**CASTLEBAY LANE ELEMENTARY
IS OFFERING A
TRANSITIONAL KINDERGARTEN**

Supporting Students with the Gift of Time

What is a Transitional Kindergarten?

Transitional Kindergarten provides the support for children to develop socially, emotionally, physically and intellectually. The Transitional Kindergarten Program is the developmental bridge between the preschool environment and the more structured setting of Kindergarten. These students often have a fall birthday, turning 5 from September ~ December 2 and may not be socially and/or academically ready for a traditional Kindergarten program.

You've watched your child grow and develop since birth. Although child development follows a fairly predictable path, we know that each child develops at his/her own pace. Think about your child in the areas of language, social, cognitive and motor skills and consider what type of program will best meet his/her needs.

If you are interested in our program, please contact us.
