PATH Meeting
Minutes

November 31, 2009

ADDENDUM TO NOVEMBER MINUTES

The treasurer's report was erroneously deleted from the November minutes. Dawn did not print a copy of the budget for this meeting and indicated at the meeting that we should be ok with our budget if we fund raise at least to what we projected. Dawn also made a correction to the September minutes with "directory is being paid by safety **not** that the account is being switched to safety."

Addendum respectfully submitted,

Alla George
Secretary
