

# Coming Saturday, April 25th:

## ***“Castlebay’s Got Talent”***

### **Seeking Talented Acts – Group/Family/Teacher acts encouraged**

#### **TALENT SHOW RULES**

“Castlebay’s Got Talent” is intended to be a fun event. All types of talents/performances are welcome. While the talent show committee wants all participants to enjoy themselves, there are some rules by which all must abide to ensure a quality, enjoyable show. Please read over this information so you understand all expectations.

- 1) The Castlebay Talent show will be held on **Saturday, April 25, 2009, at 1:30 pm and 4:30 pm. All participants must be available and present for both shows** and must have submitted a signed entry and permission slip to perform. **There will be a run-through of the show on Friday, April 24<sup>th</sup> after-school. Please do not audition if you cannot commit to these dates and these times.**
- 2) The Castlebay Talent show is not a competitive talent show. No actual judging or prioritizing of acts will occur. All participants will, however, receive a prize for participating.
- 3) **Auditions will be held on Tuesday, 3/24 at lunch and afterschool.** All acts must first audition and be approved. If your act involves significant setup or equipment that is difficult to get to school for an audition, a videotaped audition will be accepted by the talent show committee with permission. Announcement of show participants will be made by 3/31/09. You will be notified by email.
- 4) At least one of the act’s performers must attend, teach, or work at Castlebay. Other family members are welcome to join you. Classes may enter acts, as well. No animal acts.
- 5) Auditions will be judged on preparation, stage presence and overall effect. Selection of acts for the show will be limited based on length of time available for the show, auditions, and the goal of showcasing a variety of performances and grade levels. *We strongly encourage group acts with multiple performers to increase the number of participants.* Some acts may not be selected and decisions by the audition panel are final.
- 6) All acts must **be no longer than two minutes** and are limited to one number.
- 7) A stage, microphone/sound system, and a piano will be made available for participants to use. Setup time for each act is limited to one minute.
- 8) Participants are responsible for their own props and costumes. All costumes must be appropriate, according to all school policies. No special changing areas will be available; please be prepared to change in public spaces (restrooms).
- 9) **For singers, CD must be music/instrumental only.** No lip-synching is allowed.
- 10) Inappropriate music, dance or language/lyrics will not be permitted.
- 11) Students wishing to use recorded accompaniments for vocal numbers or dance routines must provide a CD to be used at the audition and performance, labeled with your name, the title of the piece, and track number.
- 12) This is a school function. All acts, ideas expressed, behavior, and costumes must fall within school standards for acceptability.
- 13) All decisions made by the talent show committee are final.
